2021 Impact100 SRQ Grant Finalist Wish List

Additional Notes or Information

AS we move into our new 18,000 square foot retreat center and prepare to welcome participants who are survivors of trauma and abuse, we want to make their surroundings as comfortable as possible during their stay with us. We will have the capacity to accommodate up to 30 participants at a time for 3-5 day overnight retreats. As such, we will need to furnish our bedrooms, bathrooms and kitchen area with many household items like those included on this wish list. If we were to get some of these important items donated, it would translate into a huge cost savings for our nonprofit. Thank you for your consideration of our wish list requests!
