2022

Annual Report

Our Mission

To empower women to collectively fund transformational grants to nonprofits in Sarasota and Manatee Counties

Letter from the President

As we close out 2022, we celebrate the positive change we have made in our community having funded 15 grants and donating an aggregate of \$1,637,000 since 2019.

I want to thank each one of you for your continued commitment to our mission and the impact you have made. Because of you, we made Impact100 SRQ history in 2022 by funding ALL FIVE focus areas for the first time. We reached a significant chapter milestone AND funded one additional grant in the Education focus area for a total of 6 grants.

Your passion for the Impact100 SRQ model has allowed us to touch every part of our community, allowing our nonprofit recipients to address specific needs for their services that will have a sustainable high impact for years to come.

We are a unique asset to our community, and the positive difference we make reflects the strength of our collective giving. On behalf of the entire Board of Directors, thank you for being a part of Impact100 SRQ and your continued investment in our amazing local community.

Warm Regards, Pam Kandziora
