Types of Initiatives

- * **New Program or Service**
- * **Clearly Defined Expansion** – significantly increasing population served, broadening the offering to a new population, expanding type of service offered, or improving efficiency or effectiveness with improved outcomes

Initiative Impact

- * Addresses a need
- * Demonstrates measurable results that reflect the qualitative and quantitative differences the Initiative will make
- * Broadly and/or deeply benefits community or population served
- * Explains how the actions taken will lead to impact
- * Describes how much will change, how deep is the change, for how many and for how long

Eligible Organizations

- * Defined as tax-exempt public charity under Section 501 (c) 3
- * Registered as nonprofit corporations with FL Dept of State and FL Dept of Agriculture & Consumer Services unless exempt
- * Been in operations minimum of 24 months and be able to provide financial statements and tax returns for this period
- * Willing to disclose any pending legal action
- * If collaborating with another organization, both satisfy guidelines

Eligible Initiatives

- ✧ **Primarily serve and benefit Sarasota and Manatee Counties**
- ✧ **Initiative activities and funding fall within the 24-month grant period**
- ✧ **Initiative budget is equal to or greater than the Impact100 SRQ grant amount**
- ✧ **Initiative budget allocated to Impact100 SRQ is equal to grant amount**

Five Focus Areas

Designated by Applicant for one of five focus areas

✧ Arts, Culture & History

✧ Education

✧ Environment, Recreation & Animal Welfare

✧ Family

✧ Health & Wellness

Key Questions

- * **Clearly Defined** – the need, the budget and the initiative itself are clear
- * **Viable** – the steps to successfully implement the initiative are well thought-out and explained
- * **Sustainable** – the steps to sustain the initiative and its benefits beyond the 24-month grant period are described well
- * **Designed to Achieve High Impact** – the described impact demonstrates measurable results and the broad and/or deep benefit for the community or population served

For a Complete Application

- * Submit all requested documents
 - Financial Statements
 - Committed Funds Documentation
 - Quotes
- * Provide quantifiable data to show impact/results
 - The current metric, the improvement and the future after the initiative is implemented
 - Expand number impacted – increase current # of 200 by 100 (50%) = 300 each year
 - Improve results– improve self sufficiency metric from 50% to 85%
